## Questions

Questions	Points
<p>1. Situation/ occasion: Imagine you have been renting an apartment in London for a month now. Unfortunately, you have stumbled upon a number of flaws: the ceiling is leaking, there is mold in your bathroom and your neighbours are very noisy. Assignment: Write an email to your landlord to inform him/her about the current state of your apartment. You need to make clear that the situation is urgent and you want him/her to take action as soon as possible. Make sure to remain formal and polite. Use between 250-300 words. Your assignment will not be graded if you use less than 250 words. Your assignment will be assessed on coherence, communicative achievement, vocabulary, grammar and spelling.</p> <p>Dear Sir,</p> <p>Although I've been enjoying my time in London, I regret having to inform you about a rather unpleasant situation.</p> <p>I rent no 10, Brooks place; one of your apartments. The rain we've been having these past few days has made matters worse. Whether this is connected or not, I do not know, but there is also a significant amount of mildew in the bathroom. A rather unhealthy situation, I might add.</p> <p>On top of that, there seem to be some issues with the neighbours. Or rather, between the neighbours. I'm afraid the ceiling is leaking, it has been leaking ever since I moved in. The rain we've been having these past few days has made matters worse. Whether this is connected or not, I do not know, but there is also a significant amount of mildew in the bathroom. A rather unhealthy situation, I might add.

On top of that, there seem to be some issues with the neighbours. Or rather, between the neighbours. They alternate between partying really hard, and fighting like caged lions. Either way, it's difficult to sleep with all the noise. Also, the empty bottles of beer and, sorry to be so graphic, pools of vomit in the hallway are quite disgusting.

I have already contacted the board of tenants, and apparently, these problems have been going on for quite a while, and are getting worse by the week. People are quite despondent about the whole situation, since they have contacted you several times without any message or action from you. I'm sure this was not your intention, since you own multiple apartment blocks and must be quite busy. Maybe it slipped your mind?

I urge you to please take action. This situation cannot go on for much longer. I am losing sleep and my health is deteriorating.

Kind regards,

Your tenant, Will Smith
