Tuition Guide HR
Academic year 2023-2024
Version June 21st, 2023 - English

Note:
(Prospective) students with Ukrainian nationality will pay a lower tuition fee in the academic year 2023-2024. The institutional rate is equated to the statutory tuition fee rate of €2,314.00.

Current students of Russian and Belarusian nationality will pay a lower tuition fee in the academic year 2023-2024. This concerns an extension of the reduced institutional rate in academic year 2023-2024 for the group of Belarusian and Russian students who re-enrolled in academic year 2022-2023 for the study programme for which they were enrolled in academic year 2021-2022 and who have already paid the adjusted institutional rate in that academic year. In this case, the institutional rate is equal to the statutory tuition fee of € 2,314.00.

Please note: Students of Russian and Belarusian nationality who started a new study programme at Rotterdam University of Applied Sciences in the academic year 2022-2023 and who pay a high institutional rate for this do not fall under the above-mentioned regulation.

(please refer to 2, 3, 4 and 5)
Please note: Subject to changes in legislation and regulations. No rights can be derived from the information and rates in the tuition fee indicator.
